Hi Don,

Thanks for your message.

I thought I sent you an email where I stated I emailed Dave Weintraub 2x as a follow up. He's the planner that Charlie mentioned is the person to contact. Perhaps I just let Nate know. I didn't check my emails to verify the email I actually sent.

He was on vacation and usually so busy that it takes a while to get to him. He did call me and let me know that he's having the City Attorney look at the documents.

I'll check in again.

Sincerely,

Whitney
